Eva Erlacher appointed to Northern Alberta Development Council for three year term

Peace River Eva Urlacher, former reeve of the MD of Bonnyville, has been appointed to a three-year term to the Northern Alberta Development Council (NADC).

Ms. Urlacher is the newest member of the council but she brings along an in depth awareness of community and regional development.

Ms. Urlacher is a business owner and a director of the Rural Alberta Development Fund. She is a dedicated volunteer with an ongoing interest in her community and the region. Besides serving as reeve of the MD of Bonnyville, she has been a director of the Cold Lake and District Agriculture Society, and has served on other community boards and foundations.

“Ms. Urlacher will bring great knowledge and a wealth of experience to our council team. We are fortunate to have her energy and commitment on our council,” said NADC chairman Robin Campbell.

Ms. Urlacher said she is looking forward to this new opportunity.

“This is an extension of my ongoing passion for community and regional development. I am excited to be involved with the Northern Alberta Development Council and will focus my energy to support the council’s goals and priorities,” she said.

The NADC is Alberta’s regional development council charged with helping to expand the northern economy. The council identifies and implements measures to advance northern development. NADC also advises government on opportunities and issues in the region.
